## **THE WISCONSIN OPEN MEETINGS LAW**

Because our government belongs to the people, the Wisconsin Open Meetings Law, found in sections 19.81 through 19.98 of the Wisconsin Statutes, requires that public business, with certain exceptions, be conducted in public.

Under the law, all meetings of governmental bodies are presumed to be open to the public unless the law specifically allows a closed session. The county board, its committees, boards, commissions, and agencies are governmental bodies. There are several reasons which allow for a closed session (found in Wis. Stat. §19.85). The most common instances are:

Considering punitive personnel action against an employee of the body; Evaluating performance, compensation, promotion or employment of a public employee of the body; Considering strategies for crime prevention or detection; Conducting public business (such as purchasing property) where competitive or bargaining reasons require a closed session; Considering information related to personal, social, medical or financial data of specific people where open discussion might injure their reputations; and Conferring with the attorney for the body to discuss litigation. Specific applications of these exemptions should be discussed with legal counsel in advance.

The law requires that the public have notice of what will be discussed at meetings. This requires advance preparation of an agenda which gives a specific description of the matters to be discussed and acted upon by the body. The agenda must be prepared at least 24 hours before the meeting, except where urgent situations require less notice.

The law also forbids use of secret ballots, except for the election of officers of a body. No body can convene privately to avoid the law – any gathering of a majority of the body is presumed to be a meeting. No body can meet in open session after going into closed session unless prior written notice has been provided.

The basic rule of the open meetings law is access by the public to conduct public business. Where any closed sessions are contemplated, care should be taken to assure that the spirit and intent of the open meetings law is being followed.

## Legislative Branch

**LEGISLATIVE HOTLINE**.....1-800-362-9472

The Wisconsin Legislature consists of two houses, the Senate and the Assembly. The members of each house are elected by the people in the November general election from districts into which the state is divided by legislative act after each federal census.

**Senate:** There are 33 senators who are elected for four year terms. The 16 senators who represent even-numbered districts, are elected in the years in which presidential elections occur, and the 17 who represent odd-numbered districts, are elected in the even-numbered years in which there are no presidential elections.

**Assembly:** There are 99 members in the Assembly who are elected for two-year terms.

**Organization:** Legislative officers are elected in each house. The Senate selects its leadership, the Majority and Minority Leaders from among its members in a caucus. The Majority Leader is the manager of Senate business as authorized by the Senate Rules or by the Committee on Senate Organization. The corresponding officer in the Assembly is the Speaker, who is chosen by the members of the majority party.

Manitowoc County is represented in the Legislature as follows:

## **EARLY HISTORY OF MANITOWOC COUNTY**

Manitowoc County was originally occupied by Native Americans. French explorers claimed it for France, however, in the seventeenth century. They then ceded it to Great Britain in 1763 as a result of the French and Indian War. After the War of American Independence, one of the last acts of the Congress of Confederation was to establish it as part of the Northwest Territory. In 1809, the U.S. Congress made it part of Illinois Territory; and in 1818 it was attached to Michigan Territory. On April 20, 1836, it was included in Wisconsin Territory.

Manitowoc County was a part of Brown County until the organization of a separate county government for Manitowoc County was authorized by an act of the Territorial Legislature in 1836. Under the act, the date for the first election was scheduled for the first Monday in March, 1839. The Commissioners of Brown County were authorized to canvass the vote and issue certificates of election.

The election was held on March 4, 1839, at the home of P.P. Pierce in the Village of Manitowoc Rapids. Horace Conroe and O.C. Hubbard were Judges of Election, and Peter Johnson and J.H. Este, Clerks. Thirty-five votes were cast and the following officers were elected: County Commissioners, Horace Conroe, John Rigney and J.G. Conroe; Assessor, O.C. Hubbard; Register of Deeds, J.W. Conroe; Collector, Peter Johnson. Having received properly authenticated certificates of election, the County Commissioners met and organized on March 15, 1839. Meetings of the County Commissioners were recorded in the Journal of the County Commissioners, which is the first or earliest volume of the publication now known as the Proceedings of the County Board.

The next recorded meeting of the Board of Commissioners was held at Manitowoc Rapids, May 27, 1839, and it appears that the purpose of this meeting was to elect and appoint Judges of Election for Manitowoc County. Though the record states that Manitowoc County at that time was divided into two precincts, namely the Precinct of Conroe and the Precinct of Two Rivers, it does not describe what area constituted each voting ward. It is assumed, however, that no definite political lines were drawn, but that the electors of the County cast their votes in the polling place most convenient to reach at a time of few and poor roads and limited means of travel. The county seat was located at Manitowoc Rapids.

## **HISTORY AND ORGANIZATION OF LOCAL GOVERNMENT IN MANITOWOC COUNTY**

In 1848, the year Wisconsin was admitted to statehood, several changes took place affecting local government. On March 2, 1848, the Legislature enacted a law establishing a town system of government thus abolishing the county's Board of Commissioners.

But before its discontinuance, the last Board of Commissioners was comprised of Peter Poh, J.M. Sprague, and Albert Wheeler. Manitowoc County was comprised of four towns: Manitowoc, Manitowoc Rapids, Two Rivers, and Meeme. The first session of the County Board of Supervisors was held June 18, 1849 with the towns being represented as follows: Manitowoc, Andrew Vieu; Manitowoc Rapids, Charles McAllister; Two Rivers, John Stuart; Meeme, T. Cunningham. The Chairmen of the various towns constituted the County Board of Supervisors.

At this time, the north boundary line of Manitowoc County was the town line running between Towns 20 and 21 across Ranges 21, 22, 23, 24 and a fraction of Range 25. The division of the County into towns resulted in the formation of four towns: Two Rivers, Manitowoc, Manitowoc Rapids, and Meeme.

The Town of Two Rivers was comprised of all its present area, but also included parts of the Town of Mishicot in Town 20 - Range 24, as well as Sections 18, 19, 30 and 31 which are now a part of the Town of Kossuth. The Town of Manitowoc's boundaries are the same, with such territory as has been added the City of Manitowoc. The Town of Manitowoc Rapids was comprised of all of the area that is now the Towns of Maple Grove, Rockland, Franklin, Cato, Manitowoc Rapids, and the greater part of Eaton, Liberty and Newton. The south boundary line of the Town of Manitowoc Rapids was the southwest corner of Section 19, Town 18, Range 21 and then East along the Section line across Ranges 21, 22 and 23 to that point where the section line intersects with the shore of Lake Michigan. All of Manitowoc County south of this line constituted the Town of Meeme.

As various parts of the County developed and were settled, petitions were presented to the Board of Supervisors asking that tracts be established as separate towns. By these steps, as recorded in the Proceedings of the County Board of Supervisors, the number of towns increased to the present number of eighteen.

The chronological order of the establishment of the last fourteen towns was as follows:

- 1850 -- Newton, Centerville, and Maple Grove
- 1851 -- Kossuth and Eaton. (In 1853, the name Eaton was changed to Walders. In 1854 it was changed back to Eaton.)
- 1852 -- Mishicot. (In May, 1853, the name Mishicot was changed to Saxonberg, but in November of the same year it was changed back to Mishicot.)
- 1855 -- Schleswig and Franklin
- 1856 -- Cooperstown and Rockland
- 1857 -- Liberty (originally named Buchanan from 1857 to 1861), and Cato.
- 1858 -- Gibson
- 1859 -- Two Creeks (originally named Rowley, changed to Two Creeks in 1861)

### **MANITOWOC**

The Village of Manitowoc was incorporated under an act of March 6, 1851 with George Reed as the first village president. The two village wards were represented on the County Board by G. Kremers from the first ward, and C.W. Fitch from the second ward. A city charter was granted by the legislature March 12, 1870 with Peter Johnson being the first mayor.

### **TWO RIVERS**

On March 31, 1858, a village charter incorporating the Village of Two Rivers was granted. H.C. Hamilton was chosen as the first village president; Wm. Aldrich and H.B. On April 18, 1924, an election was held for the purpose of determining whether the city should adopt a council-manager form of government. Since the referendum favored the adoption of the council-manager form, on May 18, 1925, the City Council appointed Richard Biehl as the first city manager, his term of office becoming effective June 1, 1925. The city still operates under the council-manager system.

## **HISTORY OF MANITOWOC COUNTY COURTHOUSES**

The first courthouse was located in Manitowoc Rapids in the year 1839. It was a 24' x 30' one story frame construction and cost \$650.00. Manitowoc County's population at the time was 240. On April 30, 1852 it was destroyed when an inmate who was adjudicated insane set fire to the jail which subsequently spread to the nearby courthouse.

In 1853 the county seat changed from Manitowoc Rapids to the Village of Manitowoc. After numerous delays in both selecting a site and securing a clear deed, the second courthouse was constructed on grounds of the present courthouse in 1857 for \$10,000. It was a three-story brick structure with a dome. The Sheriff and his family lived in the building where his quarters, office, and jail were located on the first floor, administrative county offices were on the second floor, and the third floor was the "hall of justice" courtroom. The second courthouse was service until 1905 when it was decided that it was too small for the needs of the county. After the county was unable to sell the building, it was moved one block south to make room for the present (third) courthouse.

In November of 1904, the County Board unanimously approved a Beaux Arts, Neoclassical design presented by C.H. Tegen of Manitowoc. The original approval for the cost was not to exceed \$150,000. However, due to problems with concrete and digging the foundation, waiting for building materials, a strike by cement mixers, and the addition of "extras" such as: marble wainscoting, ornamental plastering, gas piping, heat regulation systems, stone balustrades, and more, the final cost to build the Courthouse was approximately \$238,348. At least two men died on separate occasions during the construction of the building.

The Manitowoc County Courthouse is listed in the National Register of Historic Places.
